

Product Sheet

OdourCore Pro

Featuring OdourFix Technology ➤

One product.
Multiple applications.
Less complexity.

A premium biological cleaner and odour neutraliser that combines effective cleaning performance with long-lasting odour control.

OdourCore Pro helps facilities teams, cleaning contractors and multi-site organisations simplify cleaning operations whilst maintaining cleaner, fresher environments.

**72hrs**

Of ongoing biological cleaning power after application.

**100%**

Post-consumer recycled packaging, readily biodegradable formulation.

**30yrs**

Of UK biotechnology innovation behind the formulation.

Why OdourCore Pro

Cleaner. Leaner. Greener.

Three measures of a cleaning product: the result it delivers, the operational load it removes, and the environmental cost it carries.

Cleaner

Reduce complexity across your cleaning programme

- Cleans and freshens hard and soft surfaces
- Eliminates odours at source
- Targets odour-causing organic matter
- Long-lasting odour control
- Suitable for washrooms, drains and waste areas
- Leaves environments cleaner, fresher and more welcoming
- Up to 72 hours of ongoing biological cleaning power

Leaner

Effective cleaning and odour control in one versatile solution

- Fewer SKUs across site
- Simpler staff training
- Faster cleaning processes
- Less storage pressure
- Lower procurement complexity
- Standardise cleaning across multiple locations
- One product for multiple applications

Greener

Biotechnology supporting more sustainable cleaning

- Naturally derived, sustainably sourced ingredients
- PCR packaging
- Supports circular economy principles
- Reduced environmental impact across the product lifecycle
- Helps reduce reliance on multiple products
- Supports sustainability and ESG objectives
- Developed using over 30 years of biotechnology innovation

Suitable For

Washrooms

Drains

Waste Areas

Hard Floors

Hard Surfaces

Carpets

Soft Furnishings

Communal Areas

Back-of-House Environments

How to Use It

Product Information

Use Instructions

1 Odour Neutralising

- 1 Dilute in a 750 ml spray bottle.
- 2 Always direct the spray away from the face and towards the centre of the room.
- 3 Adjust the application according to the strength of the odour.
- 4 Repeat as necessary.

2 Washroom & Surface Cleaning

- 1 Dilute in a 750 ml spray bottle.
- 2 Spray onto the surface and wipe with a cloth. No rinsing required.

- 1 Dilute in a 5 L bucket.
- 2 Clean surfaces using a mop or brush. No rinsing required.

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Only for professional users and specialists. Store in original closed containers away from extremes of temperature.
