

Enhanced Urinal & Toilet Cleaner/Descaler

Newly formulated with a boosted blend of organic acids and plant-derived surfactants, delivering nearly double the descaling power for the effective removal of limescale, surface staining, and watermarks — leaving urinals and toilets clean, shiny, and free of scale.

Cleaner

- New enhanced formulation for superior performance
- Excellent scale removal and long-lasting clean
- Improved technology doubles scale removal power
- Consistent results even in hard water areas
- Removes bodyfats and soiling
- Does not sediment salts
- Long-lasting deodorising perfume

Leaner

- Excellent material compatibility (does not degrade seals)
- Available 1L
- Safe on all washroom surfaces
- Reduced hazard compared to traditional products
- Boosted formulation, same cost

Greener

- Reduced carbon footprint
- Naturally derived ingredients
- Not tested on animals
- 100% PCR – no single-use plastic
- 100% Biodegradable

Enhanced Urinal & Toilet Cleaner/Descaler

Use Instructions

Apply evenly under the toilet rim or around the urinal bowl. Allow up to 5 minutes of contact time before brushing and flushing the toilet or urinal.

Product Compatibility

Effective for powerful descaling of tough limescale from washroom fixtures such as sinks, basins, baths, toilet bowls, urinals, taps, showers, tiles and floors. Avoid use on marble or natural stone

Safety & Storage

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet (SDS). Product is non-flammable so no requirement for secure, ventilated storage. Store at room temperature

Available Pack Sizes

(6 x 1L)

The UK's leading manufacturer of Biotech cleaning products

- The UK's leading manufacturer of Biotech cleaning products
- Technologies are renewable and sustainable, sourced from plant extracts, fermentation and manufacturing by-products reducing CO2e and environmental toxicity
- 100% UK Manufacture and supply chain
- Post Consumer Recycled bottles provide a circular life cycle reducing CO2e and removing physical plastic pollution
- Our cardboard is made from 100% recycled material, is fully recycled and FSC certified (Forests for All Forever)
- ISO 9001:2015 & ISO14001:2015
- Zero waste to landfill
- Accredited to Carbon PAS2060, we offset our carbon with UK tree planting and VCS projects within the Amazon
- 100% Readily Biodegradable
- All manufacturing wastewater is treated
- Our technology has minimal aquatic toxicity
- Never tested on Animals
